It has been a very fun and eventful half term! Children have been observing how the season has been changing with our productive outings and activities involved. This term is always a fun as the seasons change and the weather starts to improve. We are very much looking forward to sharing this eventful term with your child and there are many new enriched and fun activities we are planning to do.

## Learning and developments

**Preschool:** The topics pre-schoolers are currently covering are spring gardens, Mother's Day, Ramadan, Eid, recognizing names, phonics and numbers. We are also ensuring our pre-schoolers are getting equipped and prepared regularly for their transition into their school setting.

**Toddlers:** Toddlers will learn about Spring, Ramadan, Eid, patterns, shapes, camouflage and simple repeating patterns in the environment and repetition of new learnt words.

What's coming up... Eid-UI-Fitr and as the weather is improving, regular outdoor visits will be implemented for a longer period. Please ensure to bring a water bottle and sun screen for your child.

## Story of the week

**Children will be learning:** 

- Introducing a new book every week with the interest of children
- new words to help improve vocabulary and language skills
- To build their imagination skills

## Key dates for your diary

**Easter holiday: Friday 31<sup>st</sup> March 2023**

**Term Starts: We will return on 17<sup>th</sup> April 2023**

## Upcoming Events

**Mother's Day workshop:** We always love to have parent partnership involved.

**Mosque visit:** we will be visiting the local mosque as per our planning for the holy month of Ramadan.

**Eid Party:** We will be planning an Eid party for our children; dates will be given prior to the event. Eid celebrations will be held at the end of Ramadan month.

**Open week. 20<sup>th</sup> to 24<sup>th</sup> March 2023.**

**We are having an open week next week!**

- > All week next week we will welcome new parents to come and look around our setting, ask questions, sit/chat with our friendly staff who can help register your child.
- > We will also give advice about how to claim child care costs. (Tax free child care available)
- > We can do your child's eligibility check.
- > We can discuss FREE child care for working parents. (30 hours free child care)
- > We can talk about attending training and colleges and how to access funding.
- > We are now enrolling babies from 03 months.
- > We offer FREE child care from 2- to 5-year-olds

## Exciting opportunities

We are very excited to let you know that we visit the local library regularly every week as part of our planning.

On Friday mornings we are very fortunate that we are regularly visiting the stay and play sessions; this allows a friendly social learning space for 0-5 years with fun activities to support your children's learning and development that helps your children to engage through play.

We are pleased to say, we are now enrolling babies and we have put in place a new baby room, please can you put a word out there.
